**Wits University Faculty of Science post-graduate student AI declaration**

I understand that the use of generative AI tools (such as ChatGPT or similar) without explicitly declaring such use constitutes a form of plagiarism and is classified by Wits University as academic misconduct.

I declare that in the course of conducting the research towards my degree or in the preparation of this thesis/dissertation/research report (select one by marking with an X):

I **did not** make use of generative AI tools ☐

I **did** make use of generative AI tools for the following (tick all that apply):

1. Idea Generation (research problem/design, hypothesis) ☒
2. Sourcing Related Work (summarising, identifying sources) ☒
3. Methods and Experiment Design (experiment setup, model tuning) ☐
4. Data Analysis (presentation, coding, interpretation) ☒
5. Theoretical Development (theorem proving, conceptual analysis) ☒
6. Code Development (generating algorithms, writing scripts) ☒
7. Presentation (rendering graphics, formatting) ☒
8. Editing (grammar, readability) ☒
9. Writing (text generation, document structuring) ☒
10. Citation Formatting (structuring, organising) ☐

If other uses were involved, please specify below:

| **Generative AI tool used (list all)** | **Used for?** |
|---|---|
| Chat Gpt,Copilot, deepseek,Claude, | Learning and understanging concepts |
| | |
| | |
| | |

If generative AI tools were used as an integral part of the experimental design or in the direct execution of my research, I confirm that details of this use are clearly outlined in the relevant experimental/methodology chapters of my thesis/dissertation/research report.
